Survey Data

ABC News/Kaiser Family Foundation/USA Today Health Care in America 2006 Survey

This poll examines Americans' views and experiences related to health care costs and quality, as well as their attitudes toward possible policy solutions. The Health Care in America Survey is a nationally representative survey of 1,201 adults conducted from Sept. 7 to 12, 2006. The margin of sampling error is plus or minus 3 percentage points for results based on total respondents. The survey results can be found at: <http://www.kff.org/kaiserpolls/pomr101606pkg.cfm>
