

Harold R. Gordon Memorial Award

Selection Committee

It is my honor to recommend Ryan Thorn for consideration this year for the Harold R Gordon Memorial Award. Ryan is a prime example of an independent broker dedicated to serving his clients. He works tirelessly as a professional offering his clients honest advice and great ongoing service. He is man of high integrity and dedicated to serving his clients, his church, and the community. He is also a devoted and loving husband, father and grandfather.

I have known Ryan over several years as a member of NAHU. During this time, Ryan has always stepped up to serve the Association in whatever role that he was asked. He has served in leadership positions for his Local, State, Region and on a National level, both as a member of the Board of Directors and the Trustees for the Education Foundation. Ryan has been an exemplary Servant Leader. He is respected by his peers and has been an effective leader as a result of that respect and the willingness of his peers to work with him to move the Association forward.

Ryan has also been active in legislative activity in support of NAHU and our members. He has been a spokesman for NAHU in front of Congress. He has also had a close relationship with Senator Orrin Hatch of Utah, which has been beneficial for some of NAHU's legislative efforts.

Ryan exemplifies the qualities of the professional Broker on which our industry was built. The American consumers have learned to rely on professionals, like Ryan, over the years. He is truly a person whose professional career and his long-time service to NAHU is deserving of your consideration.

Thanks for your consideration,

Michael Matznick, CLU, RHU
