## **Georgia Insurance Executive Mychal Walker Elected Secretary of NABIP**

WASHINGTON, DC – Mychal Walker Sr., a Georgia-based insurance agent, was elected secretary of the National Association of Benefits and Insurance Professionals Board of Trustees at the association's 93rd Annual Convention this week in New Orleans.

"I'm thrilled that Mychal is joining our board as secretary," said Janet Trautwein, CEO of NABIP. "Mychal has invested heavily in improving NAHU's ability to deliver the best services to our members, and I'm confident he'll continue to do so in this role."

Mychal has been a member of the association for 16 years, including serving as president of the Georgia chapter for two years as well as a regional vice president for the association's board of trustees. He also was a key player in the association's political action committee, legislative council, and media relations committee.

In his own community, Mychal has held leadership positions for the Georgia Chapter of the National Federation of Independent Business (Chair of the Leadership Council), Georgia Department of Insurance and the First Commission Task Force created by Governor Brian Kemp. Walker was instrumental in initiating what has become Georgia Access, the state-based exchange in Georgia.

Walker is the managing director of The Walker Agency in Duluth, GA and together with his team, he works with clients addressing their senior market and healthcare-related needs. He holds a Bachelor's in mass communications and marketing from Auburn University where he currently serves on the Dean's Advisory Board for the College of Liberal Arts.

"It is an honor to be chosen as the next secretary for the NABIP Board of Trustees," Walker said. "Working alongside some of the most talented and knowledgeable experts in the health benefits industry is a fantastic opportunity, and I'm eager to give back to the NABIP community in this new position."
