

NAHU

Building Blocks for Medicare

NAHU assists its Senior Product Specialists in a number of ways.

EDUCATION

NAHU's Medicare newsletter and online courses – including a new Medicare certification program – help producers better understand the senior market.

LEGISLATION

Thanks to NAHU's lobbyists, agents and brokers can be confident that their voices are heard by members of Congress.

TIMELY UPDATES

Members are the first to know about changes to Medicare plans, CMS regulations and commissions.

REGULATORY INFLUENCE

NAHU maintains close relationships with CMS and other regulatory bodies and is among the first to know about any proposals they release. This helps agents and brokers protect their clients' interests.

CASE STUDIES

NAHU helps its members share stories, strategies and best practices with one another. Find out how to get your clients better value for their healthcare dollars.
