

2018 NAHU LEGISLATIVE ACHIEVEMENT AWARD

Description: The Legislative Achievement Award recognizes members who have performed special service in state legislative affairs during a single association year or over an extended period of time. This honor is presented to members making significant contributions and performing outstanding service in connection with state legislative matters by developing and implementing methods to strengthen and improve NAHU's stance in the industry. Nominees should reflect the NAHU vision and values as continually demonstrated in their outstanding legislative contributions to their respective states. A maximum of 5 awards will be given each year. Because this award recognizes outstanding service over an extended period of time, a member who has been awarded a Legislative Achievement Award within the last five years is ineligible. In years where five or few applications are received and an application does not meet the criteria an award may not be given.
