

OUIDA PETERSON COMMUNITY SERVICE AWARD

Awarding Your Chapter for Excelling in
Community Service

COMMUNITY SERVICE IS IMPORTANT

Your chapter should be recognized for the "extra" stuff you do. This award recognizes chapters that are excelling in community service by donating time, goods or services to organizations in need.

THINK OF WAYS YOUR CHAPTER HAS HELPED

Did you hold a fun-run to benefit your local community health clinic? Mentor students interested in a career in health care or our industry? Donate time and resources to clean up a local park? These are just some examples of projects you can submit for this award!

HOW CAN OUR CHAPTER APPLY?

The Committee will require a traditional score sheet, much like you currently complete with other award submissions. We want to know what your goal was for starting your community service project, if it was a physical or financial donation, how you planned the event, and the final outcome of the project.

AWARDING THOSE WHO HELP PEOPLE

Be a diamond among your peers. NAHU's Ouida Peterson Community Service Award will be awarded to only one state and one local chapter that excels in community service activities between April 1, 2020 and March 31, 2021. Criteria for submission is to follow.

"NO ACT OF KINDNESS, NO MATTER HOW
SMALL, IS EVER WASTED."
