

NAHU AGENCY MEMBERSHIP

PILOT PROGRAM – PATHWAY 2

Available only to UBA members

NAHU wants to reward agencies that believe in the vision and mission of our organization. Are you an agency with 1 to 99 employees involved in employee benefits or other health insurance products? NAHU Agency Membership allows all of your employees who are working with your clients to be the best and most knowledgeable in the industry.

NAHU’s new Pilot Program for Agency Membership is an easy and effective way for your agency to manage individual NAHU memberships and maximize the benefits for your agency. This type of membership is available to agencies that enroll 100% of eligible agency members (EAMs). It offers a streamlined billing process with one invoice and one renewal date, and one payment each month to cover all of your eligible employees.

EAMs are defined as producers in your agency who sell employee benefits, individual health insurance, Medicare or other health related products, as well as account managers and compliance professionals who are on staff and work with clients. It would not include a person whose job was strictly life insurance or someone who was strictly P & C. With this fixed agency dues program, all eligible agency members will receive the benefits available as a member of NAHU.
